By submitting this application, I/we agree to the following:

- I/we have requested a fixed interest rate lock-in with a fee payable of 0.15% of the value of the fixed interest rate loan application;
- the rate lock-in will apply for a period of 90 days from the time of approval of this signed, completed application with valid payment authorisations and may not be extended;
- the rate lock-in will be at the prevailing rate on the day this application is approved;
- if the loan is funded within the 90 day rate lock-in period, then the interest rate for the fixed rate period of the loan will be the lower of the locked-in rate or the prevailing rate on the date of loan settlement;
- if the loan settlement is after the rate lock-in period, the prevailing interest rate on the date of settlement will apply;
- the payment will be charged at the time of receipt of this application and must be received within 5 business days from the time of application, or the rate lock-in will not apply;
- the rate lock-in fee is not refundable, except in instances where Nexus Mutual declines the loan;
- acceptance of the fixed rate lock-in does not imply or guarantee approval of a loan or an offer to provide credit;
- Nexus Mutual reserves the right to not accept the fixed rate lock-in request, in which case, no rate lock-in fee will be charged;
- approval will be deemed to occur when a Nexus Mutual authorised representative issues a letter or notice of the rate lock-in acceptance, confirming the rate lock-in terms.

I/we request the Rate Lock-In fee to be charged to my/our account: \_\_\_\_\_,

for a loan value of \_\_\_\_\_ at the advised fee.
