**Nexus Mutual's Recommendation**

Nexus Mutual recommends that you do not provide your Visa Debit card number to suppliers for charging regular amounts to your account, as the card number and/or expiry date can change if the card is lost, stolen or replaced. A better option is to set up a **direct debit** by providing your supplier with Nexus Mutual's BSB number (802-254) and your member number. If you require funds to be charged to an account other than your Access Plus (S1) account, please contact our team using the contact details below.
